

Confirmation letter

Salzburg, 7th June 2017

To Whom It May Concern

This is to confirm that **Sensormatica LLC** having their registered office at **Kantemirovskaya St., 37, 194100 Saint Petersburg** is a partner company of COPA-DATA and authorized to quote, sell and support the entire zenon product family.

zenon is a software system from COPA-DATA for industrial automation and the energy industry. Machines and equipment are controlled, monitored and optimized. zenon's particular strength is open and reliable communication in heterogeneous production facilities. Open interfaces and over 300 native drivers and communication protocols support the horizontal and vertical integration. This allows for continuous implementation of the Industrial IoT and the Smart Factory. Projects with zenon are highly scalable.
